# 2002 SUBARU FORESTER AWD

EFFECTIVE 03-01-01

The 2002 Forester is basically a carryover model with a few minor changes. All Foresters now have a cargo area cover as standard equipment, along with daytime running lights, and a fixed intermittent feature for the rear window wiper. All models have a rear center headrest and height-adjustable outboard shoulder belt anchors for added comfort. The Premium Package adds gold accent alloy wheels, monotone paint scheme, retracting power sunroof, and side impact air bags.
